Our Mission STATEMENT

Gentle Caring Hands Group Home (GCHGH)

Mission

To allow persons with special needs and developmental disabilities to live Independent lives. GCHGH is Receptive to the continually - modernizing and essential requirements of our communities and of persons with special needs and developmental disabilities.

Vision

To provide a caring and nurturing environment for individuals 18 and older with special needs and developmental disabilities, while they recuperate, enhance their health and well-being, and acquire skills for independent living. At GCHGH Individuals with disabilities take precedence. Having a place to call home is essential, the ability to have opportunities for gainful employment and capabilities to reside as individuals with no disability, is crucial; serving as an advocate for families, while at the same time, being engaged in the community with families and friends.
